

# DOMINION

## *Turf Type Tall Fescue*

**Uses:** DOMINION Tall Fescue is an excellent choice for sports fields, golf course roughs, commercial turf, home lawns, erosion control, roadsides and airports. This is the most popular turf in the transition zone, and in other areas that require a durable turf. DOMINION Tall Fescue is a good choice for athletic fields in sandy, un-irrigated situations in the Southern half of the cool season zone where conditions are poor for Kentucky bluegrass and Perennial Ryegrass. Use in full sun to moderate shade.

**Geographical Adaptation:** Transition zone North to Southern half of cool season zone.

**Features:** A very high-rated turf type tall fescue in latest turf trials. Dominion is a Pure Seed Testing release out of Rolesville, NC. Dark green color, excellent texture and density. Very good performance in NTEP trials for brown patch disease resistance, and rated #1 in the 2000 data for the disease. Excellent heat and drought tolerance, moderate shade tolerance and excellent durability are characteristics that make Dominion Tall Fescue an excellent and versatile grassing choice.

MD/VA RECOMMENDED CULTIVAR.

**Production Areas:** Washington, Oregon

**Rate:** Overseeding : 3–6 lbs/1,000 Sq. Ft  
New Seeding: 8–10 lbs/1,000 Sq. Ft
